---

Dear Organizational Members,

It is membership renewal time once again. The deadline for renewal is October 31, 2022. This will give us time to process all application forms and send information to the CDAA in a timely fashion. It can be sent by mail, but preferably sent by email as this is the most efficient way to process memberships. Please note: to process your Level II license with the Newfoundland & Labrador Dental Board memberships are required one month prior to Newfoundland and Labrador Dental Board licensure registration.

Please complete all fields listed on the membership application that apply to you. If you have an email address, please include this on your membership renewal form as it will be an easier way of contacting members. The email address for sending money and membership is [nldaaemt@gmail.com](mailto:nldaaemt@gmail.com). Membership cards will be emailed within 7-10 business days of the email being received. If you are applying by mail, you can expect a longer wait period.

Now that Covid-19 has settled, we will resume quarterly meetings at our new home base, the NLDA office. We plan on offering CE again, with dates to be determined. Please note, we plan to start doing newsletters again, please ensure we have the correct email for you. Also note the change in fees this year; CDAA has opted to increase fees and with the rising costs of everything our fees had to go up as well, you will find the breakdown of costs on your membership application. We look forward to seeing you around, and always welcome questions and volunteers.

Kind Regards,

Robyn Brown, RDA  
NLDAA President
