Dear Members,

Renewal time has approached again already! I feel like this year has flown by, we have overcome so much. While we have been busy getting our new executive members acquainted with the way we do things around here, we managed to get a few things done.

We have decided that we will have auto deposit on memberships now, meaning if you are sending us EMT for payment, it needs to be properly labeled so we can process your membership efficiently. We have the payment requirements on our membership application and We are also hoping to have a members only section where you can pay for your membership immediately on our website.

With thorough thinking, we are trying our best to give you benefits with your membership, like partnerships with different organizations. We are trying to partner with Goodlife Fitness and Massage Addicts. We are welcoming ideas and places you would like us to try and communicate with to get partnerships with.

We are so excited to offer a continuing education course at the St. Johns Convention Centre on October 14th because we have not done anything for Dental Assistants Recognition Week, we thought better late than never. We are also discussing doing an open house with Dental Crafts, which would be a limited attendance event.

We are trying to get back to doing the things we love for our members. So please, if you have any questions, comments or concerns, reach out. We are up and running with our cell phone, so please do not hesitate to text or call if you need anything at all, or if you have questions or comments! 709-771-0337

My promise to you, as the president, is to be here at your disposal, whenever, wherever.

Remember: we are all in this same boat, in the same rough water.. Together!

Kindest Regards,
Robyn Brown, RDA
